CONSENT TO THE PROCESSING OF PERSONAL DATA FOR MARKETING PURPOSES (ELECTRONIC)

By ticking the relevant box on the website www.eclair-living.sk, I hereby grant to **Immocap, a.s.**, with its registered office at Mlynské nivy 55, 821 09 Bratislava – Ružinov, Company ID No.: 35 944 536, registered in the Commercial Register of the Municipal Court Bratislava III, Section Sa, File No. 3633/B (hereinafter referred to as the "Controller"), my **explicit and freely given consent** to the processing of my personal data.

This consent applies to the personal data which I have provided by completing the relevant fields on the website www.eclair-living.sk, namely:

- first name,
- surname,
- e-mail address,
- telephone number.

Purpose of Processing

My personal data shall be processed for the purposes of the Controller's marketing activities, including profiling, in particular:

- to contact me with offers of residential and non-residential premises in real estate projects carried out or planned by the Controller, either:
  - directly,
  - through its subsidiaries and affiliated companies, or
  - through joint ventures with other investors;
- to send me information about events, news and other business opportunities related to such real estate projects.

Duration of Consent

This consent is granted for a period of **3 years** from the date of its provision.

Acknowledgement

I acknowledge that:

- I may withdraw this consent **at any time without stating any reason**, by sending a notification to the e-mail address: immocap@immocap.sk;
- withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal;

- granting consent is **voluntary** and is not a legal obligation;
- granting consent is **not a condition** for entering into a contractual relationship with the Controller or any member of its group;
- if I do not provide my personal data and consent, I will not be able to receive the above-mentioned marketing information prior to entering into a contractual relationship;
- without evaluating additional information provided during communication, the Controller may not be able to ensure that the information provided is tailored to my needs.
